

Polk Audio's New VM Series Loudspeakers— This Is What Sex Appeal Sounds Like

With their proprietary aluminum satin-gloss polished finish that adds a jewel-like quality to any audio/visual system, our VM Series Loudspeakers add just the right amount of stunning visual appeal. Mix and match the VM Series for the optimal combination of performance and home integration. Then turn their sonic performance up even higher by pairing your VM Loudspeakers with the modern style and breathtaking performance of either our PSW111 or DSWmicroPRO Subwoofer.

VM Series Features

- **High-grade Extruded Aluminum Enclosure** is the basis for a fit and finish excellence rarely seen in home theater systems.
- **Proprietary Satin-Gloss Hand-Polished Finish** imparts a rich, jewel-like quality that complements your living space as much as your TV.
- **Tempered Smoked Glass Base** (VM20/VM30) provides a stylish and practical mounting solution.
- **Designed And Voiced** to work together in the critical 60HZ-150HZ range to blend with subwoofer for a complete Home Theater System. Mix and match VM Series models to custom design the perfect VM system for your needs.
- **Dynamic Balance[®] Mineral Filled Polypropylene Drivers** produce flat frequency response, excellent detail and transparency.
- **Butyl Rubber Surrounds** provide excellent resonance damping for better sound and high durability for many years of listening enjoyment.
- **Ferro-Magnetic Fluid-Cooled 1" Aluminum Dome Tweeter** creates excellent dispersion off-axis and high frequency accuracy. Ferro-Magnetic fluid ensures high reliability.
- **Narrow Baffle Design Geometry** ensures a broad dispersion sound field even when mounted next to your TV. Enjoy huge, open and three dimensional imaging from a wide range of listening positions.
- **High-Quality Gold Plated 5-way Binding Post Inputs** ensure snug, reliable connections every time.
- **Magnetically Shielded** for safe placement near TVs and video monitors.
- **Easy-To-Install Combination Wall Mount Bracket/Cradle** (VM10/20) gives you the best speaker location options on a shelf or on the wall to create your ideal listening area.
- **Accessory Floor Stands** available for VM10 and VM20.
- **Accessory Table Stand** available for VM20.
- **Finishes: Satin-Gloss Polished Black Or Satin-Gloss Polished Silver.**
- **Available Fall 2007.**
