

Stylish, Simple To Set Up & Dolby[®] Digital Decoding Real Home Theater Sound Doesn't Get Any Easier

The SurroundBar[®] 4000 Instant Home Theater[®] (IHT) creates exciting home theater sound in a sleek easy-to-use system that will make movies, games and TV programs more engaging, more thrilling and just plain more fun. The SurroundBar 4000 IHT is the home theater solution without any of the traditional home theater hassles or clutter.

A New Dimension In Home Theater Sound

- **No Rear Speakers, No Rear Wires** for a clutter free room.
- **Compact Design** complements today's flat panel TVs.
- **Easy To Set Up.** Instant home theater in minutes.
- **Upgrades Any Flat Panel TV** speakers with a bigger, fuller sound.
- **Dolby Digital Decoding** for the kind of full, clear sound you want from all your digital sources.
- **A Complete Home Theater Experience From A Single Speaker** and an unobtrusive wireless subwoofer.
- **Wireless Subwoofer Can Be Placed Anywhere** in the room within 50 feet of the SurroundBar.
- **SmartBar™ Programming** enables the SurroundBar 4000 to easily learn volume up/down and mute from your existing TV remote control. You'll use only one remote for the SurroundBar and your TV.
- **Polk Digital Logic[®]** guarantees the highest level of performance with no complicated setup and calibration.
- **6' Optical Cable (Toslink)** included for the absolute easiest hookup from your TV to the SurroundBar 4000.
- **Built-In Wall Mount And Included Bump-On Pads** ensure a wide range of locating options.
- **Included Remote Control.**
