

UltraFit 3000 In-Ear Sports Headphone

Designed from the ground-up to meet the rigorous needs of the athlete and perfect for any active listener, UltraFit Sports Headphones will be the last headphone you'll ever need to buy.

The UltraFit 3000 is an in-ear canal design that offers the highest sonic performance and the highest level of noise suppression. SecureFit™ support and a generous assortment of ear tip materials and sizes means you'll enjoy a snug yet comfortable in-ear canal fit. A 3-button remote control and in-line microphone enable you to use your iPod® or iPhone® anytime, anywhere. While an included short (14") cable means hassle-free and tangle-free MP3 sleeve and collar connections.

Features

- **Ultra-High Performance Digital Sound**—Stunning detail, full fidelity and deep bass to maximize performance.
- **3 Button Remote Control & Microphone**—Use your iPhone and iPod on the fly with in-line controls.
- **SecureFit™ Support**—Exercise or play knowing your headphones will stay comfortably in place.
- **Ultra Flexible Tangle-Free Planar Audio Cables**—Avoid cable tangle and unwanted microphonics with oxygen-free cables in two custom lengths.
- **StrainGuard™**—Kevlar core and computer designed transitional connections eliminate cable failure.
- **Moisture Shield**—Resists moisture and keeps performing through strenuous activity.
- **Short (14") Cable**—For iPod nano®, iPod shuffle® and other MP3 sleeve and collar connections.
- **3.5 mm Connector**—Designed to fit through the opening on all cases.
- **Engineered For Durability & Comfort**—Made with the latest materials and performance technology to take punishment while staying comfortable.
