

UltraFit 500 In-Ear Sports Headphone

Designed from the ground-up to meet the rigorous needs of the athlete and perfect for any active listener, UltraFit Sports Headphones will be the last headphone you'll ever need to buy.

The UltraFit 500 is our entry model and is designed to sit in the flange of your ear canal, while the ear piece hook insures a snug yet comfortable fit. The UltraFit 500 does not use in-line controls or a microphone, but has been designed to assure you of moderate noise suppression, so you're always aware of your environment. A short (14") cable, frees you to wear an MP3 player on a sleeve or collar for the utmost in hassle-free and tangle-free connections.

Features

- **High Performance Digital Sound**—Surprising detail and fidelity to maximize performance.
- **SecureFit™ Support**—Exercise or play knowing your headphones will stay comfortably in place.
- **Environmental Awareness Engineered**—Hear enough of your surroundings to feel secure during exercise.
- **Ultra Flexible Tangle-Free Planar Audio Cables**—Avoid cable tangle and unwanted microphonics with oxygen-free cables in two custom lengths.
- **StrainGuard™**—Kevlar core and computer designed transitional connections eliminate cable failure.
- **Moisture Shield**—Resists moisture and keeps performing through strenuous activity.
- **Short (14") Cable**—For iPod nano®, iPod shuffle® and other MP3 sleeve and collar connections.
- **3.5 mm Connector**—Designed to fit through the opening on all cases.
- **Engineered For Durability & Comfort**—Made with the latest materials and performance technology to take punishment while staying comfortable.
