## Consumer Benefits

### The Ultimate Atmos Experience

Elevate immersive home theater experiences with Dolby Atmos-certified height modules.

### A Perfect Fit

Modules attach securely atop Signature Elite ES20, ES55, and ES60 and Signature S20, S55, and S60 speakers.

### Rich, Full-Range Overhead Effects

Timbre-matched 5.25" woofer and 1" Terylene dome tweeter for powerful, enveloping sound.

### Simple System Setup

Easily connects to Dolby Atmos- or DTS:X-compatible home theater receivers.

## Features

- Dolby Atmos-certified, DTS:X- and IMAX Enhanced-compatible height speaker pair
- Bring immersive overhead sound to movies, TV, music, and video games
- Fits Signature Elite ES20, ES55, and ES60 and Signature S20, S55, and S60 speakers
- Premium 1" Terylene tweeter presents crystal clear, defined highs
- Oversized 5.25" woofer delivers powerful, enveloping, full range sound
- Enjoy overhead effects from traditional soundtracks (compatible receiver req.)
- Timbre-matched with Signature Elite speakers for seamless sound
- Anti-resonant cabinet and anti-diffraction grille for premium sound
- Easy to pair with 4- and 8-ohm Atmos and DTS:X receivers
- Requires minimum seven-channel Dolby Atmos- or DTS:X-compatible AV receiver
